

IC 057 Diagnostic Clinic of Houston

INVENTORY 2020 May – ASD

**Scope and Content:** The Diagnostic Clinic of Houston records contains the newsletter, The Diagnosis from 1985-1986.

Historical note: The Diagnostic Clinic of Houston was established in 1957 when the nine founding members joined together to form a group practice. This organization was conceived in an attempt to provide the patients with the highest quality health care. It focuses primarily on internal medicine, with many subspecialties.
