

**Inventory 2019 March 26 (KLK)**

Box-level inventory completed by Kelsey L. Koym. Folders and folder names are indicated by bold font and precede the colon. Folder numbers were assigned for each folder in each box. If the folders only consist of the Word “**Folder**” followed by a number, this indicates there was no previous title assigned to the folder. The term “**Loose monographs**” indicates that the item was not found in a folder and resides in the box.
