## Administrative history / Biographical sketch

---

### Note

George John Ehni, MD was a neurosurgeon who practiced in Houston from 1949-1986. During 1959-1979 he was chairman of the division of neurosurgery at Baylor College of Medicine. Born in 1914 in Pekin, Ill, Dr. Ehni was a 1939 graduate of Northwestern University Medical School in Chicago. He served an internship at Cincinnati (Ohio) General Hospital (July 1939-1940) and a residency at the Mayo Foundation in Rochester, Minn (July 1940-1944). During World War II, Dr. Ehni served in the US Navy. In 1946 he moved to Temple and established the department of neurosurgery at Scott and White Clinic. He moved to Houston in 1949. Dr. Ehni was a past president of the Neurosurgical Society of America, the Southern Neurosurgical Society, and the International Society for Study of the Lumbar Spine. He died September 2, 1986 at the age of 72.

### Custodial history

Deed-1

---

## Scope and content

---

George J. Ehni, MD papers contains documents relating to Dr. Ehni's life and career in neurology, including correspondence, manuscripts, research materials, and reprints. Some of these materials appear to be related to lectures or talks given by Ehni.

## Notes

---

### Physical condition

Materials are in good condition.

### Immediate source of acquisition

Velaire Florence Kaplan Ehni, Dr. Ehni's wife, signed deed of gift on November 29, 1986.

### Arrangement

There is no apparent order or series groupings across folders in this collection. Folders are typically labeled by topic and contain a variety of different materials on that topic. For instance, a folder might contain research, correspondence, lecture notes, and article reprints.

### Restrictions on access

Open for research.

### Conditions governing use

Copyright restrictions may apply. Permission to publish from this material must be facilitated through the repository, McGovern Historical Center.

### Accruals

Accruals are not expected for this collection.

### Other notes

- **Publication status:** Published

---

## Access points

---

- Baylor College of Medicine
- Correspondence (documentary form)
- research (documents) (documentary form)
