

Note: Where overstuffed files had to be split into multiple folders, folders are indicated “part x of y”, to preserve grouping.

Box 1 Folder 1: Post-polio

Folder 2: Magnets

Folder 3: Basic principles of epidemiology relevant to primary care, 1997 March

Folder 4: Physician’s role in community health assessment

Folder 5: ICE course team skills

Folder 6: Spring II: Health Screening

Folder 7: Spring II: Clinical reasoning/prevention course, What is preventative medicine?

Folder 8: Understanding the medical literature

Folder 9: Managing arrhythmias

Folder 10: Interpretation of the electrocardiogram

Folder 11: Community health-related material, mostly in Spanish, part 1 of 2

Folder 12: Community health-related material, mostly in Spanish, part 2 of 2

Folder 13: Material on primary care and preventive medicine, in Spanish

Folder 14: Material on caregivers for patients with chronic illness

Folder 15: Material on alternative medicine, part 1 of 5, post-polio

Folder 16: Material on alternative medicine, part 2 of 5, post-polio

Folder 17: Material on alternative medicine, part 3 of 5, post-polio

Folder 18: Material on alternative medicine, part 4 of 5, post-polio

Folder 19: Material on alternative medicine, part 5 of 5, post-polio

Folder 20: Material on ECG’s, part 1 of 3

Folder 21: Material on ECG’s, part 2 of 3

Folder 22: Material on ECG’s, part 3 of 3, “Original – Rakel chapter ECG”

Box 2 OVERSIZED ITEMS REMOVED: Anatomical transparencies

REMOVED: series of envelopes containing numbered gold-colored discs and rectangles

Folder 1: Rakel – from Prac. ECG chapter, 1989

Folder 2: Intro to clinical specialties: heart sounds

Folder 3: "Chapter ECG"

Folder 4: Material on arrhythmias, part 1 of 2

Folder 5: Material on arrhythmias, part 2 of 2, Rakel chapter

Folder 6: Interpretation of the electrocardiogram

Folder 7: Primary care and epidemiology, part 1 of 2

Folder 8: Primary care and epidemiology, part 2 of 2

Folder 9: Magnets: Post-polio and pain

Folder 10: Magnetic Health Quarterly, 1990s

Folder 11: Magnets – correspondence

Folder 12: Magnetism and its effects on the living system

Folder 13: Fundacion BBV, La definicin de la presentacion sanitaria publica . . .

Folder 14: Fundacion Padre Arrupe, Formacion integral en ciencia e ingenieria

Folder 15: IRB: BCM, magnetotherapy renewals, 1996 July

Folder 16: BCM, magnetotherapy, circa 1997

Folder 17: Magnetotherapy

Folder 18: MAGNAflex correspondence, PPS

Folder 19: IRB: magnets

Folder 20: Response of pain to static magnetic fields in post-polio patients, a double-blind pilot study

Folder 21: Magnetotherapy study

Box 3: RESTRICTED

TIRR, magnetotherapy for pain study, patient consent forms

Box 4: Merrill Room 627 – drugs and treatment trials

Folder 1: Grant proposal material for 1998 magnet trial

Folder 2: Brian Berman, MD – material on alternative remedies for arthritis, fibromyalgia

Folder 3: Grant application – Control of arthritic/muscular pain with static magnets, 1999

Folder 4: Magnets – other material

Folder 5: Magnet study, 1998, correspondence and grand application

Folder 6: Study: Control of arthritic pain with static magnets, correspondence and grant application, 1999

Folder 7: MW therapy: Mechanisms, pain relief, and arthritis; appendix to grand application. Copies of reprints for background research.

Folder 8: "Secondary project 1"; additional or a spin-off of the pain relief study

Folder 9: Weinstein, Cartilage development in electromagnetic fields

Folder 10: Brolinson, Static magnet therapy: Wound healing and associated pain

Folder 11: Ziskin, MW therapy: Mechanisms, pain relief, and arthritis

Folder 12: Various material - Magnetic fields: Utilization in treating pain syndrome; Center for Complementary and Alternative Research in Arthritis; WOMAC; study protocols

Folder 13: Various material on magnets, pain, rehabilitation, etc.

Folder 14: Various materials: Alternative medicine, obesity, post-polio

Folder 15: A pilot study of the effect of magnetic fields on function and pain control in patients with reflex sympathetic dystrophy and/or peripheral neurogenic pain

Folder 16: Magnetic fields: Pain relief in people with disabilities

Folder 17: Control of arthritic/muscular pain with static magnets

Folder 18: Risk reduction in African-American middle-aged men, grant proposal

Folder 19: Anne G. Taylor, Static magnetic fields and fibromyalgia

Box 5 Folder 1: Huntington's disease; William Haskell, Innovative Therapies for successful aging

Folder 2: Control of muscular pain with static magnets, grant proposals, etc.

Folder 3: Control of muscular pain with static magnets, grant proposals, etc., 2000

Folder 4: Control of muscular pain with static magnets

Folder 5: Booklet – Medical Magnetism of Houston

Folder 6: Control of muscular pain with static magnets

Folder 7: Control of muscular pain with static magnets, 1999, Volk and Pavlik

Folder 8: H-3388 A pilot study of the effect of magnetic fields on pain control in patients with post-polio syndrome, 1996-1997

Folder 9: IRB for magnet proposal (large brown pocket folder)

Folder 10: Office of Alternative Medicine information folder

Folder 11: Control of muscular pain with static magnets

Folder 12: Control of muscular pain with static magnets

Folder 13: Magnet, post-polio, correspondence and reprints, 1 of 3

Folder 14: Magnet, post-polio, correspondence and reprints, 2 of 3

Folder 15: Magnet, post-polio, correspondence and reprints, 3 of 3; magnetic bracelet

Folder 16: Vallbona, Carlos, posi agreement, post-polio clinic; TIRR credentials

Folder 17: "TIRR letters for income, ie. Adelung, Frieden, etc.. 1999"

Box 6 Correspondence; other material

Folder 1: Baylor College of Medicine international affairs advisory council, 2000

Folder: Public health in Catalonia proposal, circa 2000

Folder 3: Statistics on occupational health and injury

Folder 4: Pan-American Initiative Workshop, 2001

Folder 5: Pfizer National Hispanic Advisory Board

Folder 6: Occupational health

Folder 7: Heart health

Folder 8: Latinx in medicine

Folder 9: Post-polio

Folder 10: Medicaid/CHIP

Folder 11: Public health, HCHD, TIRR

Folder 12: Risk management

Folder 13: Cancer

Folder 14: Magnets

Folder 15: Health Care Advisory Board, New Economics of Care, 2002

Folder 16: Chapter 1: Why do health systems matter?

Folder 17: Obesity; physical activity

Folder 18: Advertising, invoices, receipts, etc.

Folder 19: Gene therapy; human genome

Folder 20: Victoria Declaration

Folder 21: Como Fuente de salud el ejercicio fisico, 1994 (How physical activity strengthens health)

Folder 22: other correspondence; other material

Folder 23: Goals, 1 of 3

Folder 24: Goals, 2 of 3: Ensure education about and timely delivery of clinical preventive services for all enrollees in the Harris County Hospital District system.

Folder 25: Goals, 3 of 3

Box 7 Folder 1: Archives paper, 1 of 2. Magnet study, Michael Weintraub, 1997-1998

Folder 2: Archives paper. Chronological correspondence, "DO NOT switch"

Folder 3: Material on magnet therapy, 1 of 4

Folder 4: Material on magnet therapy, 2 of 4

Folder 5: Material on magnet therapy, 3 of 4

Folder 6: Material on magnet therapy, 4 of 4

Folder 7: Material on alcohol consumption, 1 of 2

Folder 8: Material on alcohol consumption, 2 of 2

Folder 9: Deposition, Hudson, 1994

Folder 10: Deposition, Ballard, 1998

Folder 11: Post-polio rehabilitation program

Folder 12: Correspondence circa 2001-2003, 1 of 3

Folder 13: Correspondence circa 2001-2003, 2 of 3

Folder 14: Correspondence circa 2001-2003, 3 of 3

Folder 15: Articles and reprints on magnets and pain

Folder 16: Articles and reprints on magnets and pain

Box 8 Folder 1: National Academies of Practice correspondence

Folder 2: National Academies of Practice correspondence

Folder 3: National Academies of Practice correspondence

Folder 4: National Academies of Practice correspondence

Folder 5: National Academies of Practice correspondence

Folder 6: Magnet grant resubmission, 1999, 1 of 4

Folder 7: Magnet grant resubmission, 1999, 2 of 4

Folder 8: Magnet grant resubmission, 1999, 3 of 4

Folder 9: Magnet grant resubmission, 1999, 4 of 4

Folder 10: Harris County Hospital District report, 2006 August

Folder 11: HCHD community health program policy and procedure material, 2006

Folder 12: HCHD material, various reports and presentations, 2000s

Folder 13: HCHD material; community health; Medicare stays; staff meetings, circa 2006

Folder 14: Program for improved health care of Mexican-Americans in Houston; news clippings, articles; 1973-1974

Folder 15: HCHD annual medical staff meeting 2010; quality review council 2013

Folder 16: Ambulatory care services quality review council, 2010

Folder 17: HCHD committee minutes, Dr. Dols, 1998-1999

Box 9 Folder 1: CV

Folder 2: Appointments to VA hospital

Folder 3: Personal – auto leasing information

Folder 4: CPO membership, 1994 February

Folder 5: CV and publications

Folder 6: Auto expenses

Folder 7: Medical certificate and license; malpractice insurance

Folder 8: Medical certificate and license - ACLS

Folder 9: Medical certificate and license – DEA

Folder 10: Texas state license; state board

Folder 11: CME file, Carlos Vallbona only

Folder 12: Metrics report 1999

Folder 13: Metrics report 1998

Folder 14: Metrics report 1997

Folder 15: Preventive medicine residency (training manual, etc.)

Box 10 Folder 1: PT compliant report

Folder 2: Credentials

Folder 3: Directions and maps, community health centers

Folder 4: Employee benefit plan, HCHD 2008

Folder 5: Fees and RVU data

Folder 6: HCHD after-hours task force committee

Folder 7: HMO – Community Health Choice

Folder 8: Health alerts

Folder 9: Joint commission on accreditation of healthcare organizations (JCAHO), HCHD 1998-1999

Folder 10: HCHD, 2000s

Folder 11: HCHD, 1999s; Strategic plan 1999

Folder 12: HCHD, 2000s

Folder 13: HCHD, 2000s

Folder 14: HCHD, 2000s

Folder 15: HCHD, 2000s

Folder 16: HCHD medical board minutes, 1998-1999

Folder 17: HCHD, minutes, board of managers, 1998 August 6

Folder 18: Baylor College of Medicine Department of family and community medicine orientation information for new providers, manual, 1998; blue binder

Folder 19: Correspondence, etc., 2000s

Folder 20: Post-polio; rehabilitation self-assessment questionnaires

Folder 21: Cardiovascular health material; CAPPP hypertension trial

Folder 22: Other material: NIH modular grant application 2000; hepatitis control report; NIH practical guide to obesity; Brandeis University Schneider Institute for Health Policy on substance abuse

Box 11 Folder 1: Grant proposal, “mail before your trip”, 2002

Folder 2: Viracept study

Folder 3: Correspondence circa 2002; Andres Canas _Mi Otra Vez_;

Folder 4: “Important Correspondence”; _Productivity of pharmaceuticals . . .

Folder 5: Correspondence and included items, 2000s

Folder 6: IPS fall 2002

Folder 7: Correspondence, early 2000s; Klish on childhood obesity; Financiacion captiva

Folder 8: National Heart, Lung, and Blood Institute

Folder 9: Correspondence, 2000s

Folder 10: Lo mas importante ya lo sabemos al nacer, 2002, and emails

Folder 11: The department of complementary medicine: The evidence so far

Folder 12: TexMed 2003; subcommittee for academic physicians, meeting agenda

Folder 13: TMA council on medical education, agenda, TexMed 2003

Folder 14: Evidence-Based Medicine folder: Epidemiology part I, basic principles of epidemiology relevant to primary care

Folder 15: EBM folder: Epidemiology part II, state of health USA

Folder 16: EBM folder: looks like material on guidelines for healthcare providers.

Folder 17: EBM folder: Family and community medical rotation – new curriculum

Folder 18: Evidence-based medicine

Folder 19: Evidence-based medicine

Box 12 Folder 1: ALDEEU

Folder 2: IX asamblea general de socios, Houston, 1988-1989

Folder 3: ALDEEU lista de socios

Folder 4: Premio ALDEEU correspondence, 1989-1992

Folder 5: Reuniones junta directive, 1988-1989

Folder 6: Correspondence 1990

Folder 7: Baylor Connections, 1990s

Folder 8: Correspondence, 1996

Folder 9: Correspondence, 1994

Folder 10: Correspondence, circa 1999

Folder 11: Correspondence, late 1990s

Folder 12: Correspondence, late 1990s

Folder 13: Blood pressure conference, Miami, 2000 August 18-20

Folder 14: Personal correspondence; Christmas 2000; birthday

Folder 15: Articles, various topics

Folder 16: Professional correspondence

Folder 17: Orientacion para la programa local, 1999; Republica de Chile Ministerio de Salud, Division Salud de los Personas; depto atencion primaria

Box 13 Folder 1: Evaluacion anual Proyecto psicosocial Antofagasta 1998

Folder 2: The US healthcare system 2010: Problems, principles, and potential solutions

Folder 3: Correspondence and other material, circa 2000; procedural position paper on ECG, ECG interpretation workshop, 1999

Folder 4: Correspondence April 17, 2003; Paul Ambrose Health Promotion Student Leadership Symposium

Folder 5: "Items you need to work on at your return"; 2003; Institut Nacional d'Educacio Fisica de Catalunya; Harris County Hospital District

Folder 6: Medical Care journal (Medical Care Section of the American Public Health Association), June and August 2003

Folder 7: Publications – JAMA

Folder 8: Publications – JAMA

Folder 9: Harris County Hospital District – Acres Homes meeting, other

Folder 10: Publications – on blood pressure

Folder 11: Publications – rehabilitation

Folder 12: Publications – pediatrics

Folder 13: Publications – pediatrics

Folder 14: Publications – family and general practice

Folder 15: Publications – family and general practice

Folder 16: American Family Physician

Folder 17: Publications – family and general practice

Folder 18: Infectious Diseases in Children

Folder 19: Latinx medicine

Box 14 Merrill room 627, filing cabinet, polio, clippings

Folder 1: Draft evidence report . . . Johns Hopkins (green covers)

Folder 2: material on obesity; other clippings

Folder 3: Floorplans; Baylor College of medicine, Scurlock

Folder 4: FCM relocation task force

Folder 5: Looks like more relocation material

Folder 6: BCM sponsorship, 2001 (email)

Folder 7: Large accordion file – looks like material on family medicine and general practice

Folder 8: Large accordion file – looks like material on health statistics

Folder 9: Baylor College of Medicine catalog, 1999-2000

Folder 10: Baylor College of Medicine catalog, 2000-2001

Folder 11: Baylor College of Medicine directory of full-time clinical staff, 1996

Folder 12: Houston Chest Internists

Folder 13: Baylor department directories; post-polio booklet; acceptable use policy; circa 1990s-2000s; post-polio directory; behavioral medicine in primary care

Folder 14: Texas Medical Association, agenda packet for council on medical education, 2004 February

Folder 15: Texas Medical Association, agenda packet for council on medical education, 2002 February

Folder 16: Agreement between Affiliated Medical Services and Harris County Hospital District, 1990

Folder 17: Texas Medical Association, agenda packet for subcommittee for academic physicians, 2004 February

Box 15 Dr. Vallbona's activities, 1997-2007

Folder 1: February 22 post-polio, Weslaco, Texas

Folder 2: Epidemiology I and II, March 20, 1997

Folder 3: Polio presentation, 1997 March 16

Folder 4: 1997 February 8, "Comp." [?] school of health

Folder 5: 1997 March 19, Baylor College of Medicine affiliation

Folder 6: 1997 April 11th, High School for the Health Professions

Folder 7: 1997 February 20 – Spring II, Vallbona's presentation

Folder 8: 1997 January 31 – Houston; 9th Annual Advances in Family Medicine – Guidelines for a quick interpretation of ECGs

Folder 9: 1997 January 7, physician's assistant program

Folder 10: 1997 April 28 – May 5, 21st annual review course, Arrhythmia Festival II, tachycardia

Folder 11: 1997 April 24-27 – Barcelona – III EFORT Congress President's guest

Folder 12: 1997 May 15 Spring II clinical prevention guidelines for children; prevention-oriented medical history and individual risk assessment

Folder 13: 1997 May 20, Barcelona, Dr. Montesinos

Folder 14: 1997 May 29, Barcelona, physical exercise and women

Folder 15: 1997 May 20, Murcia, primary care and specialty care

Folder 16: 1997 May 20, Gerona, physical exercise and the elderly

Folder 17: 1997 May 14, epidemiology I and II

Folder 18: 1997 May 15-18, Guadalajara, postponed

Folder 19: 1997 May 14, Advances in public health/preventive medicine – what's new?

Folder 20: 1997 May 8, What is preventive medicine?, Spring II curriculum

Folder 21: Sex education; public health; access to Internet resources; mostly in Spanish; large brown pocket folder

Folder 22: Large brown pocket folder – presentations from 1996 and 1997 – French Lick; Barcelona; Sheraton Astrodome; “Estils de vida i salut comunitaria (exercise)”, 1996

Folder 23: 2007 March 10-18, Malaga, Spain

Folder 24: 2007 March 8, 27, and 29 – FCM 2007 International Fellowship

Folder 25: 2007 February 9 – TIRR resident morning didactic series, cardia rehabilitation

Box 16 Dr. Vallbona's activities, 2007

Folder 1: 2007 February 16 – Intensive course in travel and tropical medicine, 4-year study

Folder 2: 2007 February 6 – CHP teleconference (Baylor faculty only)

Folder 3: 2007 February 2 – TMA winter conference, Austin

Folder 4: 2007 other events and activities

Folder 5: PPS II, Spring 2007

Folder 6: 2007 January, FAD Awards ceremony, Spain

Folder 7: 2007 June 6-9, Sixth Congress of Occupational Medicine, Madrid, Spain

Folder 8: 2007 March 29 – April , TIRR board review course

Folder 9: 2007 April 13-22, ESADE, Baylor

Folder 10: 2007 December 12-27, Spain

Folder 11: 2007 October 19-20, TMA conference, Austin

Folder 12: 2007 October 1-14, trip to Baylor College of Medicine

Folder 13: IPS, Fall II 2007

Folder 14: 2007 October 15-18. TMC visitors from Baylor

Folder 15: 2007 September 20-25 CRR (cardiac review?)

Folder 16: 2007 September 14-15 HHH board retreat -Healthcare for the Homeless – Houston

Folder 17: 2007 conveni Baylor College of Medicine; emails it Catalan to Patricia Parra-Arevalo

Folder 18: 1997 June 4-6, Phoenix, Arizona, Annual meeting of the USMBHA United States Mexico Border Health Alliance

Folder 19: 1996 June 4-6, ESADA. Barcelona, Spain

Folder 20: 1997 June 8-14, Canary Islands, Spain,

Folder 21: 1997 June 4-6, New York, ALDEEU meeting (did not attend)

Folder 22: 1997 June 13-14, Barcelona, MEDIFORUM/Modolell (not to be held)

Folder 23: 1997 June 18, Seven Acres, Lou Lewis Memorial Symposium

Folder 24: July 3-6, San Diego

Folder 25: 1997 July 11-13, Los Cabos, Mexico, Hoechst Marion Roussel

Folder 26: 1997 July 16, Galveston, Post-polio Syndrome

Folder 27: 1997 July 25, Rockville, Maryland, NIH/NCI-DEA-SRB

Folder 28: 1997 July 31, French Lick, Indiana, ECG, to family physicians

Folder 29: 1997 August 6, ECG and arrhythmia, Southwest Memorial family residents

Folder 30: 1997 August 15-17, Miami, Florida

Folder 31: 1997 August 24-28, Beijing, China

Folder 32: 1997 August 27-September 1, San Diego, California

Folder 33: 1997 September 5, Monterrey, Mexico, Model of family and general practice in Europe

Folder 34: 1997 September 19, Madrid, BBV

Folder 35: 1997 September 27-30, Ankara, Turkey, Injury and violence . . .

Folder 36: 1997 January 31, Houston, Advances in family medicine

Folder 37: 1997 January 15-23, Barcelona, Role of pharmacy in prevention

Folder 38: 1997 February, the visit of Dr. Montesinos

Folder 39: 1997 February 5-7, Atlanta, ATPM

Folder 40: 1997 February 13-16, Palm Springs, ACMI Symposium, not enrolled/not decided

Folder 41: 1997 February 8, Dallas, Comprehensive school health

Folder 42: 1997 February 22, Weslaco, Post polio survivors

Folder 43: 1997 March 1-8, Vail, Colorado

Folder 44: 1997 April 10-12, Washington, DC, NAP

Folder 45: 1997 March 16, Texas Polio Survivors Organization

Folder 46: 1997 March 20-22, Atlanta, ATPM meeting

Folder 47: 1997 April 11, Austin, HETCAT

Folder 48: 1997 April 24-27, Barcelona, European congress of trauma

Folder 49: 1997 April 28-May 2, Houston, 21st annual review course, ECG

Folder 50: 1997 May 11-17, American Academy of Family Physicians

Folder 51: 1997 May 15-17, Guadalajara

Folder 52: 1997 May 21-23, Murcia, XVII Jornadas de la Asociacion Espanola de la Salud

Folder 53: 1997 May 14, Houston, Advances In public health and preventive medicine

Folder 54: 1997 May 25, Barcelona, International Society of Technology – did not attend

Folder 55: 1997 May 31, St. Louis, Post-polio independent living conference

Folder 56: Integrating prevention into clinical practice

Folder 57: Post-polio and pain

Folder 58: Correspondence, etc.

Box 17 Folder 1: Large brown folder – Christmas correspondence and parties, 1991-1994

Folder 2: Correspondence and travel

Folder 3: Appointments, promotion, and tenure committee, 2000

Folder 4: Correspondence, 2000; high blood pressure

Folder 5: Baylor guidelines for faculty appointments and promotions;

Folder 6: Correspondence, circa 1999

Folder 7: Preventive cardiology forum, 2014

Folder 8: BLS-CPR course, 2013 December 6

Folder 9: 2014 June 25-27, Post-polio 5-year conference

Folder 10: 2013 December 11-12, Jornadas Andalucias, Granada

Folder 11: 2013 December 6, CPR course at Hermann Hospital

Folder 12: Family medicine core didactics

Folder 13: 2013 October 17, ACLS

Folder 14: EKG course for fourth-year medical students

Folder 15: Harris County Medical Society 2012 delegate assignation

Folder 16: Paulik, Reed, Zimmerman project, 2012

Folder 17: 2010 July 11, Houston, TPSA annual meeting

Folder 18: 2010 June 14-15, Atlanta, CDC special emphasis panel

Folder 19: 2010 June 4-5, Fort Worth, Post-polio presentation

Folder 20: 2010 April 22-24, Tucson, ALDEEV

Folder 21: 2010 March 1 – April 16, EKG, blocks

Folder 22: 2010 March 2 – April 9, FCM International Fellowship

Folder 23: 2010 April 16-24, 44th PMHR board review course

Folder 24: 2010 March 4-6, Houston, Pri-Med, CEM activity

Folder 25: 2010 February 13, Preventive cardiology, forum XX

Folder 26: 2010 February 25, FCM, travel medicine

Folder 27: 2010 January 29-31, Austin, TMA winter conference

Folder 28: 2010 October 15, TMA, Austin

Folder 29: 2010 September 25 – October 3; Spain

Folder 30: 2010 July 27 – August 1, LITAFF, Mexico City

Folder 31: 2010 June 15-24, Spain

Folder 32: 2010 April 29-May 1, TexMed, Fort Worth

Folder 33: 2010 February 13-21, trip to Spain

Folder 34: 2010 October 11-November 19, FCM, Chinese fellowship

Folder 35: 2010 November 6-10, APHA, Denver

Folder 36: 2010 September 20 – October 29. CRR

Box 57 Books dedicated to Dr. Vallbona; books where he is coauthor

2008 Handbook of Emergency Cardiovascular Care

Edward Tufte, Envisioning Information

Edward Tufte, The visual display of quantitative information

Cuadernos de ALDEEU, 2012 autumn

Dr. Jose Ricardo Serra Grima, Prescripcion de ejercicio fisico para la salud

Drs. Teo Cabanes, Bartolome Mari, Juan Gasull, Ciclismo, Consell Insular de Mallorca

Apunts: Educacion fisica y deportes, 2011 No. 3,

The Lancet, Vol. 362 No. 9388 2003 September 20

Llibre blanc de la gent gran activa, 2002 October

Binder – material on electrocardiography, circa 1960s.

Southwestern Poliomyelitis Respiratory Center, 1950, Considerations on the objective estimation of respiratory endurance, Vallbona and Gunyan Harrison, 1956.

Speech: Buenos Dias, Espana, 1988

Speech: Commencement speech for South Texas High School for the Health Professions, Harlingen, 1988

Selection of antihypertensive therapy based on patient characteristics, 1988

Torsada de pointes – presentation, 1986

Lecture: Epidemiology of aging, given to graduate students, 1988

Fundacion BBV, Spain – Problema de la education medica, 1992

August 1992. Arrhythmia presentation parts I and II

1992 Houston Geriatric Society, Exercise in aging

Spain trip, April 1991, El hombre y la mujer

Spain trip, April 1991, Sol Licitud activitats docents IBS

Preventive medicine, article on Harry Meistrup and Todd Ley and tennis

Fundacion BBV, Spain, Incidencia economico-social, 1992

Medical applications of dance, yoga, and t'ai chi, Baylor College of Medicine, 1982

N. Don Macon, Monroe Dunaway Anderson, his legacy.

Paul Harrington, Scoliosis, 1966

Generalitat de Catalunya, Guia de prescripcio d'exercici fisi per la salut – big book

Generalitat de Catalunya, Departament de Sanitat I Seguritat Social, Guia per a la promocio de la salut per mitja de l'activitat fisica, 1994.

Generalitat de Catalunya, Guia de prescripcio d'exercici fisi per la salut – tiny booklet

Generalitat de Catalunya, Manual de practica fisica I esportiva per a la gent gran

American Academy of Orthopedic Surgeons, Sports and exercise in midlife.

Box 58 Slides – mostly obsolete

Folder 1: Arrhythmia Festival

Folder 2: Pathologies (2 slides); vector loop

Folder 3: Obsolete slides; unspecified and epidemiology

Folder 4: Murdina Desmond – presentation slides; cerebral palsy; handicaps; Rebecca Babb; rubella; cerebral palsy; congenital syphilis

Folder 5: National Migrant Resource Program, Where Does Food Come From?

Folder 6: Obsolete – two old books of hypertension

Folder 7: Health center lectures; Horseshoe Bay

Folder 8: Heart Center (circa 1986?)

Folder 9: Novolin Human Insulin

Folder 10: Obsolete ECG slides

Folder 11: Obsolete arrhythmia slides

Folder 12: Obsolete – “Syllabus 89 slides, tracings used”; epidemiology

Folder 13: Print-outs and slides – ECG 1 – 8, 9-14

Folder 14: ECG 15-20, 21-28

Folder 15: Arrhythmias

Folder 16: Post-polio syndrome slide kit, 1999; Post-polio syndrome in English and Spanish

Folder 17: Box from Dr. Diana Blicharski, with two books – the China Study and Famous Vegetarians

Folder 18: OSCE sessions, May 29, 1-4 pm

Folder 19: Envelopes with metallic-colored . . . magnets?

Box 59 Reprints - numbering is Dr. Vallbona's. Dr. Vallbona is an author on all of these so only coauthors are noted.

Folder 1: 183 Merrill, Laux, Thornby; Success expectancy as a determinant of health care quality, 1988
